ok. I'm dark from around 10 to 3.

Thanks.

Shawn -

Had a conversation with the Region III folks after the above referenced conference call. It was the consensus of the group that it would be beneficial for the Regional folks to fully brief you on some of the topics/statements being made by some of our HQ counterparts. In addition, we thought it would be useful to have a more lengthy face-to-face meeting to resolve the outstanding issues.

Thanks.
